Drills are designed for young athletes who are looking to develop their fundamentals. Kids are placed in groups that reflect their age, ability and aptitude. The *younger kids* or *advanced beginners* are introduced to tennis in a fun, enjoyable and low stress way. The *advanced juniors* will get the chance to compete in fun group games which not only will help them become better tennis players but will get them ready to excel in tournaments or on their junior high or high school teams.

IN CASE OF RAIN

If sky is overcast and it looks like it is going to rain, please call the **front desk** at: **440.543.8171** to check the courts condition. The front desk will let you know if the drill has been cancelled. If drill was cancelled because of rain, your account will not be billed.

If rain starts during the drill, play will be stopped immediately and your child will be instructed to call a parent or guardian for early pick up.

Because of **HIGH DEMAND** and **LIMITED SPACE** available for drills, registrations are processed on a **first-come, first-serve** basis.

To ensure high quality of teaching, we keep a small student to pro ratio.
